This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

**Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

## PREFACE.

"The Military Company of the Massachuse
signed by John Winthrop, then Governor of the M
March 13, 1638. Under that charter it still lives,
"The Ancient and Honorable Artillery Company
being the oldest military body and chartered orga
continent.

The petition for the charter, if not formall
abeyance for some time, Gov. Winthrop givin
granting it, that it might be dangerous "to erect
military men who might easily, in time, overthro
surrounding circumstances make it probable tha
also entered into the matter, as many of the pe
from the authorities, by whom dissenters from th
toms were looked upon with but little favor. Th
have associated themselves together for military
to the date of the charter, March 13, 1638, that da
of the Company.

Among its charter members its first Command
foremost. He came to Boston from London, E
had been a member of the Honourable Artillery Co
which had been organized in Boston and the surro
those of the mother country, needed some centra
efficiency by insuring a general system of drill, to b
to which the officers of all these military bodies
Honourable Artillery Company had acted in that
it served as a model upon which Keayne and his
new Company in their new home.

Upon the roll of its members are to be found t
their day and generation through the entire histo
been foremost in peace and in war, and have occu
science, art and literature, in social, profession
life. Their names only are given herein as the s
to appear in a history of the Company, which w
during two hundred and fifty-seven years done w
up the city of its birth, the Commonwealth and th
they have ever offered an unswerving loyalty.

Justly proud as the Ancient and Honorable A
own record, it feels an added pride in its conne

mpany of London, England, which chartered in 1537 antedates itary organizations, regular or volunteer, in its own land by more ry. The record of that Company for more than three centuries made illustrious by the deeds and words of royalty, nobility ner, the Ancient and Honorable Artillery Company claims as a mily history.

y years the Ancient and Honorable Artillery Company well ission for which it was founded, and held its place at the head n soldiery of the Colony and of the State. The transformation an and Pilgrim Colonies into a powerful and prosperous Com- gradually changed the relations of the Company to the volun- but it still stands a military company, performing military having officers bearing military rank and titles who are each ssioned as such by the Chief Magistrate of the State with great

pany has always kept in touch with the spirit of civil liberty vernment which has ever characterized the community about stom of electing all its officers annually by vote of all its mem- ver been departed from, and the custom, an equally significant cers at the close of their term of service again taking their e ranks exists now. The habits of alternate obedience and re still cherished.

nder a special charter the Company has occupied an exceptional t is not subject to the general laws of the State or nation relat- nilitia or volunteer forces. Its charter and peculiar privileges ime to time been recognized by the Statutes of Massachusetts, tatute of 1792 of the National Congress relating to the militia y was exempted from its provisions.

charter the Company was empowered to elect a Captain, a Lieu- an Ensign, the Captain and Lieutenant to be such only as the ncil should allow, though no officers were to be put upon the the Company "but of their own choyce."

Second Lieutenant was chosen, and in 1823, under an amend- charter, an Adjutant was added to the list of commissioned office of Ensign being abolished at the same time. No further e organization of the Company has since been made. Sergeants umber from time to time have also been elected annually, who, e organization of the Company is in some respects a regimental cording to the old custom, command companies.

er of its commissioned officers is nearly complete for two hun- ty-six years. There is no record of the election of an Ensign of a Lieutenant and Ensign in 1649. From 1687 to 1690, inclu- etings of the Company are recorded. From 1775 to 1785 wing to the unsettled condition of public affairs and the nany of the members in the Continental Army, no meetings of were held, but in 1786, the pressure of war being no longer

felt, it started into new life, its original charter h
turbed. The officers elected in 1775 acted as such
held in 1787. A full list of officers, commissioned
well as of the preachers, clerks, treasurers and oth
positions in the Company will appear in the forth

According to ancient custom, on the first Mond
sermon is preached before the Company, followed
of officers for the year ensuing and the commission
by the Governor of the State. Each Commander
the election, selects a preacher of the election s
Chaplain of the Company during the following
of the commissioned officers and preachers, the
appears in the year succeeding that of the Com
appointed.

For many years none but ministers of the C
appointed preachers. In 1770 the custom was
appointment of Samuel Stillman, a Baptist, and in
the first Episcopalian clergyman to act as preache

The frontispiece of this volume is a fac-simi
Company, photographed from the most ancient re
as found in the archives of the State of Massachus
difficult for any person not familiar with ancient
charter as recorded, a copy of it in which the le
forms now in use, while the original spelling of
printed on the page following the frontispiec
other illustrations, one of which represents Faneui
quarters of the Company, as it now appears.

Robert Keayne, by his will, left three hund
used for building a market house in which he
set apart for the "Artillery." This was done,
pied the room until the building was burnt in 1711
a new town house where the old State House
This was destroyed by fire some years later and t
its place, in which the Company retained its he
the present century when it moved to Faneuil
remained.

In 1740 Peter Faneuil, a wealthy merchant of
and present to the town a building on the conditi
as a market house. At a town meeting, July 17, 17
by the small majority of seven out of seven h
votes, many voters being opposed to disturbing
marketing.

The building was erected far exceeding in size t
a large hall and several smaller rooms being add
livered to the selectmen, September 10, 1742. T
given to it, which it still retains. For several year

use still existing, it was little used for that purpose, being, in ance, boycotted. It was destroyed by fire January 13, 1761, im- built, and in 1805 enlarged to its present size by doubling its dding a third story, now the Armory of the Ancient and Honor- y Company. The Company could not find a more appropriate uil Hall could not find an occupant more worthy of its shelter. also a representation of the gorget worn by the Commander, alberd and esponton which were formerly carried by the com- nd non-commissioned officers respectively. The gorget still insignia of the office of Commander, but the halberd and e as a rule only carried at the election and commissioning of being then given up by the retiring officer to the Governor of ho, through the Adjutant-General, places them in the hands of g officers.

has been prepared pursuant to a vote of the Company passed 1880, under which a committee with full power was appointed, f the following-named members of the organization: Henry irman, Albert A. Folsom, Thomas F. Temple, James P. Frost, H. Allen. This committee has remained unchanged excepting n of James P. Frost. Little was done upon the roll for several istory of the Company which would naturally contain a list of s had previously been authorized. It being found that the ld assume much larger proportions and require a much longer completion than had been expected, it was finally decided best catalogue in a separate volume. The labor involved in search- ords of the Company, in consulting town and State records genealogies has been very great, and final accuracy has been hasty and careless completion.

erent methods of spelling the same family name rendered it many cases, to make the several lists of members found in the rds and histories of the Company correspond. The original th cross references in the index when necessary, has been far as possible, no changes having been made except upon con- ence of existing error.

es a name appears on the Roll of one year and not long after n the Roll of a succeeding year. In most cases it evidently the same person who joined, dropped out of, and rejoined the

dex and on the Roll appears the name of John W. Whitman, the which he joined the Company. He afterwards changed it to Whitman, and so signed himself during his many years of service he Company.

rmerly the custom to place on the Roll of honorary members f men noted in public life, or of those who by their long and es in behalf of the Company had merited the honor. For many w honorary members have been elected, the most distinguished

of them being James Monroe and Chester A. A
United States, H. R. H. Albert, Prince Consort, an
Prince of Wales. On the Roll all are classed sim
